Mango-Lime, Cola-Lime

Sizes

285 g - 30 servings

Product Description

SUPERHERO is SCITEC's revolutionary new pre-workout "super powder" in our professional line! With never before used ingredients, including high quality branded actives, SUPERHERO is our top formula you need to try!

SABEET™ beet root is a nitrate source for Nitric Oxide boosting. Paired with pure L-Citrulline, which is a superb Arginine and NO booster, the results are spectacular! Kyowa branded Cognizin® is Citicoline that's an essential intermediate in the synthesis of the major phospholipid of the cell membranes, Phosphatidylcholine. Citicoline activates the central cholinergic system.

AstraGin™ is composed of highly fractionated Astragalus and Panax Notoginseng, and it's synergistic with the other nutrients in SUPERHERO. Glutathione is a highly important antioxidant in the human body. The added 200 mg Vitamin C contributes to the normal function of the immune system during and after intense physical exercise*.

A great dose of Caffeine with phytochemical containing extracts provides a tremendous stimulatory and focus enhancing, mind-muscle connection priming effect!

*The beneficial effect is obtained with a daily intake of 200 mg in addition to the recommended daily intake of Vitamin C.
