### **Warnings**

Contains Caffeine (300 mg per serving)! Not recommended for pregnant women and children! Beta-Alanine may cause a harmless, temporary tingling sensation on the skin for some individuals. Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such. Keep out of the reach of children! DON'T EXCEED THE RECOMMENDED DAILY DOSAGE!

### **Flavors**

Mango-Lime, Cola-Lime

### **Sizes**

285 g - 30 servings

## Product Description

SUPERHERO is SCITEC's revolutionary new pre-workout "super powder" in our professional line! With never before used ingredients, including high quality branded actives, SUPERHERO is our top formula you need to try!

SABEET™ beet root is a nitrate source for Nitric Oxide boosting. Paired with pure L-Citrulline, which is a superb Arginine and NO booster, the results are spectacular! Kyowa branded Cognizin® is Citicoline that's an essential intermediate in the synthesis of the major phospholipid of the cell membranes, Phosphatidylcholine. Citicoline activates the central cholinergic system.

AstraGin™ is composed of highly fractionated Astragalus and Panax Notoginseng, and it's synergistic with the other nutrients in SUPERHERO. Glutathione is a highly important antioxidant in the human body. The added 200 mg Vitamin C contributes to the normal function of the immune system during and after intense physical exercise\*.

A great dose of Caffeine with phytochemical containing extracts provides a tremendous stimulatory and focus enhancing, mind-muscle connection priming effect!

\*The beneficial effect is obtained with a daily intake of 200 mg in addition to the recommended daily intake of Vitamin C.
