Product Summary

Directions

Mix 1 serving (12 g) with 250 ml water daily. Use 30 minutes before a meal. Not intended as a sole source of nutrition!

Product Description

Vegan product

Supreme greens formula with 26 organic fruits & vegetables!

VITA GREENS & FRUITS is our supreme greens formula with many natural ingredients, vitamins and minerals. Vitamins and minerals are basic essential nutrients that must be adequately taken in for optimal health and high level sports performance. Many people struggle eating all their veggies and fruits due to various reasons (e.g.: dislike of taste, lack of time, you name it!), but now here's some help!

VITA GREENS & FRUITS contains 18 different vegetable and 8 different fruit sources in one serving! Digestive enzymes and Astragin® are also added to the formula. VITA GREENS & FRUITS has a good dose of „adaptogen” plants as well. Wheat grass and Spirulina help to control weight by reducing the sense of hunger. Rheishi mushroom contributes to natural immunological defenses. Barley grass protects cells from oxidative damage

VITA GREENS & FRUITS - among other micronutrients - features the B-Complex vitamins and Vitamin C, plus essential minerals including Selenium and Zinc.

Vitamin C contributes to the normal function of the immune and nervous systems, and to the reduction of tiredness and fatigue*.

Vitamin D contributes to the maintenance of normal muscle and immune system function, and to the normal absorption and utilization of Calcium and Phosphorus.*

Vitamin K2 contributes to normal blood clotting and to the maintenance of normal bones.* Zinc contributes to normal fertility, reproduction and to the maintenance of normal testosterone levels, and also to normal macronutrient metabolism.*

Selenium contributes to normal spermatogenesis, to normal thyroid function and to the maintenance of normal hair, nails.*

To top it all, this product is free from artificial sweeteners. It contains only Stevia, a widely-known natural sweetener source.

Warnings

Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such. KEEP OUT OF REACH OF CHILDREN! Don't exceed the
